# Admission Regulations for Foreign Students 2020

# **ADMISSION POLICY**

(Foreign Students under Self Finance Scheme)

The Women University Multan University promotes higher education for women within the country encouraging Pakistani nationals as well as extends it to the foreign nationals seeking admission to the University. The University is rated among the best institutions of the region and follows the Higher Education Commission's (HEC) criteria to entertain the foreign students.

## **Objectives**

- To encourage and facilitate Pakistani nationals settled abroad as well as foreign nationals to seek admission in WUM.
- To promote the image of Pakistan in outside world.
- To improve relationships with the international community
- To share knowledge and expertise with friendly developing countries
- To provide quality education to the students of developing and underdeveloped countries in Pakistan.

## **Admission Policy**

A foreign student seeking admission to the University has to apply in the WUM after obtaining the equivalence of their Certificates/Degrees from Inter Board Committee of Chairmen (IBCC) and Higher Education Commission (HEC) in order to determine his/her eligibility. After being eligible the student will be issued letter of admission/confirmation, who submit the student information sheet for issuance of NOC from HEC.

## **Categories of Foreign Students**

Foreign Student is one who possesses a Foreign Citizenship or Passport. The foreign students are classified into following two

categories:
