Date: May 9, 2024

The Worthy Vice Chancellor,
The Women University Multan.

Subject: REQUEST TO ORGANIZE A WORKSHOP ON MBTI

Honorable Vice Chancellor,

I hope this letter finds you well. I am writing to bring your attention an opportunity to host/organize a workshop on the topic of Myers-Briggs Type Indicator (MBTI) for our faculty members and students. The MBTI workshop aims to help understand individual personality types, improve communication, and enhance team collaboration. I firmly believe that this workshop will be highly beneficial for the participants, leading to a more effective and productive academic environment.

We have been approached by a renowned resource person (Profile of Mr. Muhammad Saad Masud, MBTI Certified from Intellact Consultants is attached) who is willing to conduct the workshop without any financial benefits. The resource person is willing to work with us to design and deliver a customized workshop that meets our specific needs. However, we would like to request that the concerned office consult with the resource person to discuss the details of the workshop, including the content, duration, and logistics.

We believe that this workshop will have a positive impact on our professional development and ultimately benefit the University as a whole. We would be grateful if you could approve our request and instruct the concerned office to organize the workshop at the earliest convenience.

Quality Enhancement Cell is very thankful to you for your continued support and commitment for the development of the University.
